

September 4, 2020

The most beautiful day to start on Wednesday! Warm sun, blue skies and so many sleepy, but smiling faces. Not easy to climb back into a uniform for the first time since March! Believe me, putting on a tie instead of shorts was no fun either! Thanks for making the effort to come to our school Mass or watch online. It certainly wasn't the same as past Masses, given Covid restrictions, but at least we were together.

- Remember, NO CLASSES on Monday. Labor Day holiday. Instruction begins online for Grades 1-8 at 8:30am on Tuesday. Your teachers should have/will have sent out all the pertinent details NO LATER than Sunday evening. Watch for them. If you have not seen or think you have not received anything yet by Monday morning, contact them directly via email. Their links are [HERE](#). Perhaps we don't have your updated contact info.
- STAR tests continue this week with PK and K. Once we have everyone assessed, we can look for patterns to group students for better leveled instruction. If your child missed the test, make sure to contact your teacher.
- Most every family who demonstrated a legitimate need for borrowing a school chrome book will have checked out our supply by Friday at noon. Make sure to call our office if you missed that window. We really have VERY few to loan. Once those are gone, we have no others. They should go to families of need, not just to add to your collection. They MUST be returned when we resume on campus classes.
- We are pleased to announce the return of the Kennedy High School Band program for its 37<sup>th</sup> year here at St. Paul's! Ms. McKamey returns REMOTELY for students in Grades 5-8 who are interested. Details are [HERE](#).

We wish you a peace-filled, enjoyable long Labor Day weekend! Looking at the weather forecast, summer certainly isn't finished with us yet!

"Who are we, St. Paul's?" "Strong, Loving and Wise!" All day, every day.

A handwritten signature in blue ink, appearing to be the name 'Dan', written in a cursive style.
